## Three free e-learning opportunities from NKBA.

**Hone your skills, develop personally and increase professional opportunities** with continuing education.

**Earn 0.1 CEU** for each of these webinars sponsored by Amerock and certified by the NKBA. **Registration closes 2 hours before each event begins.**

*Partnering to bring  
you these e-learning opportunities  
this month*

## **Fractalize Your Designs: How Nature Reveals What Feels Right (Part 2)**

Tuesday, June 16 • 12pm ET

**Presented by Richard Landon, CMKBD**, Owner of Richard Landon Design

**REGISTER NOW**

What we enjoy about nature can powerfully influence our designs. We will discuss how nature reveals four key techniques for “feels-right” design.

## **Color Cues: Color's Influence in Our Lives**

Thursday, June 25 • 12pm ET

**Presented by Paula Kennedy, CMKBD, CLIPP**, Owner of Timeless Kitchen Design

**REGISTER NOW**

We'll journey through the use of color in commercial, product, fashion and digital marketing as

we begin to understand how color influences our feelings and choices. We'll then translate this to the use of architectural color and paint products.

---

## Decorative Hardware: How It's Been Influenced by Architectural Eras and Styles

Tuesday, June 30 • 12pm ET

**Presented by Peter Wells**, Sr. Principal Designer, Insights & Product Design at Amerock

**REGISTER NOW**

Can't make it? [View the webinar here.](#)

Join as we journey through architectural eras and styles, and their influence on decorative hardware design. With an understanding of this context, you can make meaningful and informed design selections.

*Earn 0.1 CEU in each  
of these NKBA-certified  
webinars, brought to  
you by Amerock.*
