

Ashby's comfort grip (left); Ensuring finish consistency (right)

it's all in the details

Meticulous, thoughtful design

From the drawing board to the final measurements, we take pride in making sure **every step** of our process gets the attention it deserves.

As the **first decorative hardware company** in the industry, Amerock has a legacy of **pioneering** new solutions and staying **ahead of the curve**.

*Staying ahead of the silver leaf trend,
Amerock introduces Silver Champagne.*

Cynara by Circa Lighting

more than meets the eye

Details that matter.

Make the selection process easy with suggested **complementing plumbing finishes** from leading manufacturers.

Golden Champagne complements Brizo's Brilliance Luxe Gold

Ashby features an innovative comfort grip

Take comfort.

More than meets the eye, our designs thoughtfully blend **style** and **ergonomics**.

With the **aging-in-place** trend in mind, a handful of our designs are **ADA Friendly**. [Learn More](#)

Stay-put placement.

To help ensure they **won't rotate** from the desired orientation, Amerock's knobs feature **small spikes** on the base.

The Mulino knob features two spikes to ensure stay-put placement

Two-way installation available in Ashby & Esquire collections

Maximum versatility.

Looking for a more **dramatic** statement? **Two-way installation** allows you to upgrade to the **streamlined** appearance of **longer length pulls** with existing 3-inch drill holes.

With a robust **in-house design team**, Amerock has **over 50** exclusive patented designs.

Rediscover Amerock for yourself.
